

Altem::BeginPlay

```
graph LR; A[Altem::BeginPlay] --> B[Altem::OnSphereOverlap];
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is white with a black border and contains the text 'Altem::BeginPlay'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is gray with a black border and contains the text 'Altem::OnSphereOverlap'.

Altem::OnSphereOverlap
